

Homework in Eagle Owls

Every Friday the children will bring home a sheet with activities for them to complete. This should be returned to school no later than the following Wednesday.

There will be 3 activities - maths, spelling (SPaG), reading and sometimes topic related. Spelling and reading will always be the same every week. The maths will be an opportunity to show off what they have learnt during the week. Most of the activities can be answered on the sheet or on the back.

The activities are designed to be completed in small chunks. I know you are all very busy having fun times at the weekends, so hopefully this will support your family time.

Homework should be a celebration not a chore. If your child doesn't understand or cannot remember something, that is absolutely fine. Send them to school on Monday with their folder and I will go through it with them. Please do not spend all Sunday afternoon locked in a battle.

For those children who like to do more work, there is a grid of activities that they may choose. These range from a 5-10 minute activity to one that might take a day or two. There is no expectation for these to be completed; they are optional. However, please bring the work in so we can celebrate your great work.

If you have any questions, please feel free to pop in and ask.

Mrs Green
